

# All action

Display the action pictures but keep the labels concealed to begin with.

Begin by jumping up and down on the spot and saying  
"My a yll lamma! I can jump! My a yll lamma!"

Ask the class to copy your movement and words.

Pull a 'volunteer' out to the front. Get them jumping up and down and ask  
"Pandr'a yll'ta gul? What can you do? Pandr'a yll'ta gul? "

Encourage the class to join in with you repeating the question.

Can the volunteer reply "My a yll lamma!" without stopping the movement?

Repeat with "My a yll neija!" (flying) and "My a yll donsya!" (dancing) etc

After plenty of miming and leaping about, challenge groups to sort the labels to match the correct 'doing' pictures.
