Challenge them to match the correct label

Tell the first person from each group  
to ask the person next to them  
"Yw da genev vy...(kyfeyth choklet)?"

Tell the second person to dip their  
finger in the correct pot, taste the spread,  
show with their face whether they like/  
dislike it and reply appropriately. Once  
they have replied they may now ask the  
next person and so on around the table.
